

Eighth Mississippi State - UAB Conference on Differential Equations Computational Simulations, May 7–9, 2009, Department of Mathematics and Statistics, Mississippi State University, Mississippi State, MS, USA

**RESEARCH AND TRAINING PROGRAMS OF THE NSF
DIVISION OF MATHEMATICAL SCIENCES**

TANYA KOSTOVA VASSILEVSKA

I will present information about the programs of the Division of Mathematical Sciences that are of most relevance to the areas of differential equations and computational simulations. I will also discuss some relevant NSF - wide programs.
